Welcome to Term 2!

This is a 'mini newsletter' to celebrate the first day of having students onsite in Term 2 and share information about two important events happening this week. We'll return to the normal newsletter structure next week.

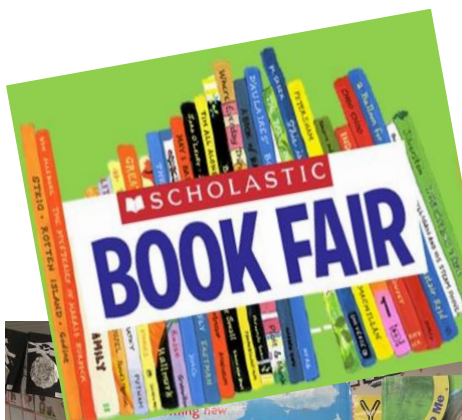

A reminder from the last newsletter:

Friday is our **Small Schools Cluster Cross Country** event at Pyalong Golf Course. All students are expected to attend this event and there will not be supervision at school as all classroom teachers will be attending. If you have not returned your child's permission notice, please do so at your earliest convenience. It is now too late to order a lunch order for the day as we have passed the cut off requested by Pyalong PS.

Families are most welcome to attend the Cross Country and support the Willow runners. If students go home with parents/carers from the event they need to be signed out by their parent/carer. Please see your child/children's classroom teacher for this safety requirement.

If we are back in time, a **short assembly** will take place on Friday. Student of the Week certificates will be handed out in Week 2.

The books are in the building! We received a special delivery on Monday – four giant bookcases, on wheels, full of books. Ms Walton has set up the **Book Fair** in the BER building. The first week of term is all about browsing and decisions, decisions, decisions about favourite books. There are also erasers, fancy pens, bookmarks and more! Sales will take place from Tuesday 2nd May to Friday 5th May after school.
