POLICY

1. School profile

Willowmavin Primary School is in its 141st year. The school is situated six kilometres to the west of Kilmore on the brow of a hill with sweeping views of the McHarg Range.

Its rural outlook sets the scene for the school values encompassing **Be Your Best, Respect, Resilience, Safe.**

It has serviced generations of families and now caters to an increasing number of families seeking the quality education that a small rural school can offer.

The student population is around 50. The school also acts as a resource centre for community-based groups such as Landcare and Neighbourhood Watch.

Our school believes in developing children's individual strengths in a friendly, caring environment, emphasising the development of individual potential and community responsibility.

We believe in a comprehensive education where children learn to learn, learn to work co-operatively with others and develop confidence in their own abilities.

2. School values, philosophy and vision

Willowmavin Primary School's Statement of Values and School Philosophy is integral to the work that we do and is the foundation of our school community. Students, staff and members of our school community are encouraged to live and demonstrate our core values of at every opportunity.

Our values are:

Be Your Best: To always do your best and be the best that you can be. This is especially important when nobody else is watching.

Respect: Thinking and acting in a way that shows others you care about their feelings and their wellbeing. Respect also means taking care of yourself, others, our school property and our environment.

Resilience: The ability to accept that things will sometimes be challenging and not go the way you would like, and not letting such situations cause you to give up or become overly upset.

Safe: Always acting and behaving in a manner that ensures we are looking after ourselves and each other so that we feel healthy, safe, comfortable and happy.

Our vision is to facilitate opportunities for our children to become confident, creative and inquisitive young people who thrive on learning; for our children to become young people of integrity, honesty, empathy and kindness, connected to the school and each other, and contributing in a meaningful and positive way to their local and global community.

We will achieve our vision by developing a culture of personal and community integrity. We will be welcoming, supportive, honest, respectful, inclusive, non-judgmental and accepting of diversity. We will have high expectations of ourselves and others and have great pride and confidence in our school.

Our Statement of Values and School Philosophy can be found on our [school website](#) under School Policies.
